

Hygiene Heroes Challenge Game

Write student names and record their points after they complete each challenge. The student with the most points after 10 challenges is the Hygiene Hero!

Points for Challenges 1-10

				Points for Challenges 1-10								
Name	1	2	3	4	5	6	7	8	9	10	Total	

Challenge 1: 10 points

Come to school with clean hands and a clean face for 10 days of challenge. The coordinator will check and give 1 point for each clean day.

Challenge 2: 5 points

Act out the healthy behaviors to prevent trachoma, without using words!

Bonus: 5 extra points

Make it into a dance!

Challenge 3: 5 points

Make up a song about handwashing and face washing and sing it for the group.

Bonus: 5 extra points

Sing it together at the flag ceremony!

Challenge 4: 5 points

Go to the school latrine and check for soap and water.

Bonus: 5 extra points

Discuss with the club how to improve school hygiene and sanitation.

Challenge 5: 5 points

Make a banner to encourage people to wash their face.

Bonus: 5 extra points

Post it near the latrines!

Challenge 6: 5 points

Tell your family about trachoma.

Bonus: 5 extra points

Show them how to face wash with soap and water.

Challenge 7: 5 points

Do a handwashing demonstration for students in your grade.

Bonus: 5 extra points

Do the demonstration for younger students!

Challenge 8: 5 points

Work with friends to make up a drama about

trachoma.

Bonus: 5 extra points

Perform it for other students during the break!

Challenge 9: 5 points

During break, tell 5 students (not from your club) about trachoma and how to prevent it.

Bonus: 5 extra points

Tell 5 more students!

Challenge 10: 5 points

Organize and hold a sanitation campaign to clean the school yard of trash.

Bonus: 5 extra points

Wash your hands with soap after!
